3. Selection and Notification of Winners. Six (6) Grand Prize winners (one from each Participating Region) will be selected by the Sponsor-designated judges based on the Portfolio Submissions from among all eligible entries received on the basis of the following judging criteria, each of which will be graded on a scale of 1 to 7 (with 1 on the low end and 7 on the high end) and each criteria will be given 20% weight towards the total score for each eligible entry, as applied solely with regard to the Fundraising Events described in Entrant's Portfolio Submission which were already completed at the time of the Portfolio Submission: (1) the money raised for Entrant's Charity, including the total amount, the impact of the money on the Charity, and Entrant's expenditure of effort to achieve the resulting money raised; (2) student participation, including the number or percentage of students involved in the Contest, the level of involvement by the school community (including teachers, parents and administration), and the student effort, including but not limited to, the number of hours, dedication, effort, volunteer work and the like; (3) the number and quality of events; (4) community involvement, including the ability of the students to engage the community (including local businesses) in the effort and the students' ability to raise awareness of its Charity in the community; and (5) creativity and originality, including the thematic tie-in between the Fundraising Event(s) and the Charity, the innovation, creativity and originality of the fundraising ideas, and the innovation of the execution of the fundraising efforts.
